# SENIOR CLASS HISTORY

We were 180 in September, '41, when we began what most of us naively thought would be a normal college career. Yet we should have been warned by that first issue of the *Student*, "Faculty Votes Special Exams for Drafted Men." Freshman week plunged us into Bates traditions and responsibilities—the CA Tent, meetings, receptions, and more meetings, tour of the libe, IMUR, ice cream at a meeting for WAA, and then Stanton Ride. Hot-dogs toasted over a fire, then our picture (What happened to Connie's shoe?), and then a walk through the woods in the steps of Uncle Johnny, topped off by cider and doughnuts. Classes – who is that tall blonde? Don't you think he's cute? Only three words, "Dance Saturday Night," and on Friday mornings the work of the Unholy 13. Jonesie as an Indian, Howie prematurely bald, and Guller—! Who was it that fished so unsuccessfully from the chapel steps? Rumors of water fights, broken doors, and a stink bomb –all in Roger Bill. Mountain climbs—rallies—"Back-to-Bates Weekend"—parades—games.—remember our trip to Colby and rumors concerning the Bowdoin polar bear?—Saturday night dances—yes, freshman girls always get rushed—Mothers' Weekend, the first formal, Soph Hop, and Tea Dance.

December 7, and next day the broadcast of declaration of war in Fiske. As Ralph Tuller wrote, "Chapel programs, and football games, and college spirit, and Bowdoin polar bears all seem suddenly to have lost the importance we gave them a few days ago. All at once we realize how essentially insignificant our own little problems and our own little lives really are." Traft, Barb Littlefield, Romeo, and Kay Reilly were elected class officers. California took his place on Stu-C.

Exams and our first carnival with Marty Blaisdell as Queen. Measles—sleigh rides—cabin parties—appendectomies. 27 of us made Dean's List that first semester, believe it or not. Barb Cox earned 4 point. Johnny Marsh as Abe.

At spring elections Traft and Barb were reelected and Chris Stillman and Bob Corish filled in as secretary and treasurer respectively. Barb was also named sophomore representative for Stu-G, as was Stonie. Johnny Morrison and Ken Drummond made Stu-C. Benny placed third in the oratorical contest. Traft and Jaye soloed at the spring concert. Four of us made the Betty Bates Parade. Remember Ray Cool on campus for Ivy with Vonnie Chase? Don and Hal Marr—mayors. We left Bates that first year in the middle of May.

Novemher saw only 150 of us returning to Bates for our sophomore year. 17 fellows immediately enlisted in the Reserves in hopes that it would keep them in college a while longer. Blackouts—air raids—Red Cross courses. Chris Stillman, Bea Benson, Thelma Rainville. Bob Vernon. Benny, Gene Woodcock, Ervin Perkins, Dave Kendall, and others were already second semester sophomores

because they accelerated. Chris. Ervin and Benny got 4 point. Jeffrey Lynn!!!

In that famous Pre-Maine Rally Barney Harkins, our Senator, spoke and we heard the swing cheer for the first time—'member? Bates women were allowed in the Chase Hall Lounge at the Saturday nite dances. Connie with her diamond and off to a wedding in Dec. Not so many Sat. nite dances nowadays—anyhoo, we old sophs were left in the lurch. Too many cute freshmen. Our own Soph Hop. 24 on Dean's List.

Men leaving right and left for the Service, and the temporary suspension of the *Student*, except for special editions. Nothing the same, at all. Men of our class coming back in uniform. News of the V-12. Scottie as Betty Bates. Stonie and Mickey were elected vice-president of Stu-G and WAA respectively, Johnny Morrison, secretary-treasurer of Stu-C, Scottie, secretary of CA and Traft and Barb Littlefield to PA. Once more it was Traft and Barb as class officers and Mickey and Bob Corish as secretary and treasurer respectively. 685 Bates men in the Service, and 4 gold stars already. Chris Stillman a Phi Bete. Profs Knapp, Britan, Gould, and Whitehorne retired in June.

How the diamonds glittered in November '43! Pat Merrill and Connie Nickerson back for a try at studies instead of housekeeping. Prohibition—of whistling on campus for V-12ers. Mt. David out-of-bounds. Lou Scolnik, Frankie Burroughs, Zeke Finch, Jonesie, Jackie Joyce and Dave Lindquist in at 10 o'clock for a change. Bell bottoms replace gabardines on the campus. Bowdoin men galore. Reveille at 5:45—ohh, how we hate to get up in the morning! BASC. Class officers—Mary Guiney, Mickey, Penny Gates, Kay Reilly. News of Skip Mulhearn's death overseas—our first gold star. Our class baby—Cheryl McGlory. Our own Ivy Day and the Garnet Room of the Bates—well, er—Club, guess you'd call it. Tickets to Niagara for Sinny and Zeke, and a can opener for Chrissie, a leash for Petie and Gene (as if one were needed!) Barb Phillips and Ervin Perkins named to Phi Bete. Back home for our last summer. Shirley Stone went off to Mexico.

Our senior year! All of us busier than before. Glad to be almost through and sorry to leave. Prexie's inauguration. "And you know what I mean by 'in time!'" Youngsters in the V-12. Our own Carnival with Janie Webber the most beautiful queen ever and her extraordinarily lovely court from the Class of '45. Next to the last exams, and nostalgia for the days of the Bobcats and Bates men. Shirley Stone and Babs—magnas, and Willie—a cum. Gene out in Cal, but named to Phi Bete. Lili Flechtheim and Shirley Stone, too. Bob Harris and Tony Drago missing for so long and then POWs—news of the men of '45 in Service: Purple Hearts; marriages—Romeo Baker, the first married, Ted Collins, Bill Chamberlain. Pete McGuinness, Howie Morris, Lou Jordan; stationed from one end of the world to the other. Class engagements: Bet and Jack, Barb and Marvin, Polly and Took, Petie and Gene. Class marriages: Blanchie and Bud plus Cheryl, Sinny and Zeke; those who didn't choose a Bates '45er, Connie, Boots (now plus Rickey born in April), Irene Myers Daitch, Olga Liimatta Pierce, Jean Purinton Maynard, Ervin Perkins, Penny Gates McDonald—off to Texas just before mid-years,—Tina Hemore Gray, Chris Stillman Kolstad, Lee Jewell Ballard. F. D.'s death and war in Europe nearing a close. May 15th, theses due and just around the corner graduation, and some June marriages.

We were lucky, we '45ers, for we had one year of real Bates life before the war knocked at the gates of our ivory tower. Some 79 or 80 of us have seen it through, but the days when we were all here together bring back the fondest memories.

# RIDE

The Stanton Ride is a pleasant get-together for all freshman students held soon after the opening of college. It was instituted many years ago by a beloved professor, "Uncle Johnny" Stanton and is observed as nearly as possible along the original lines. Although the old "figure eight" trolley line was a thing of the past when the class of '45 had its outing—we are sure a good time was had by all.

The value of democracy in these times is more than ever realized and Bates women govern themselves through the Honor System, so unique in a student government association. Opportunities for developing truly democratic citizens can be realized! Bates women feel that with our Honor System we have been able to keep campus morale on a high standard—a record to be proud of. Any other system would only be regression.

This year a more progressive spirit has pervaded the Board and consequently many suggestions pertaining to the needs and problems of the student body have been carried out. The Board has obtained extended entertaining privileges in order to make more use of the reception rooms and the Women's Union—including later Saturday evening and weeknight permissions, Sunday morning entertaining and co-ed Sunday afternoons in the Women's Union. The system of a secret committee for nominations was abolished in order to instill a truly democratic spirit. As of this year new members sign the constitution later in their first semester in order that they may have an opportunity to live by the Honor System and to gain a full meaning of its significance.

The threefold purpose of our organization—to offer each girl the greatest possibilities of college life, to develop a sense of individual responsibility through the Honor System, and to promote cooperation and harmony between students and faculty—can be achieved only to the extent that each girl participates in the program and enters into the spirit of the Student Government.

The Bates Conference Committee, commonly known as the B. C. C., is a newly organized committee composed of members of the faculty and the student body. The students are represented by the President of Student Government and two members of the Student Government Board, the President of Student Council and one civilian fellow, and two members of the Navy V-12 Unit appointed by Lt. Cass.

The purpose of the B. C. C. is to promote more college inter-action between faculty and students and to study campus problems and college issues.

The appointment of the Chase Hall Committees in charge of open-houses and Saturday night dances, the opening of the Navy smokers to co-eds and the Sunday night inter-denominational fellowship meetings are but a few of the accomplishments of the B. C. C. since its beginning in November 1944.

It is to this committee that we shall look for encouragement and guidance in future campus problems and activities.

The varied program of the Christian Association has given the Bates campus community an interesting year. The freshmen were met by the Freshman Commission directed by Muriel Ulrich; Freshman Week followed with Stanton Ride in the Gym, and all kinds of meetings to keep our new students busy.

The Religion Commission has been particularly active in obtaining monthly vesper speakers, and in helping the Lewiston-Auburn University of Life programs. Betty Haslam and Jane Blossom have headed this group. The Deputations Commission, who chairman is Walter Beaupre, has sent out groups of students to rural churches.

Snow-shoveling, the second-hand book store, magazines for the infirmaries, and sending postcards for the FEPC—these have been the duties of Nan Lord and the Campus Service Commission. Community Service has done something new this year; Jane Webber has directed regularly a Sunday School at Danville Junction in addition to the entertainment at the Old Ladies' Home, the Orphanage, and the hospital. The Social Commission under Shirley Raymond is now planning the annual banquet; throughout the year they have provided music for the dining hall, and cocoas at exam time. The June day breakfast is yet to come.

The Reconstruction Commission's discussion group series on post-war problems, their WSSF drive, their old clothing collection and their contacting Bates men in the Service have all made war service and reconstruction an actuality under Chairmen Alden Sears and Muriel Henry. Public affairs, dealing with current events and at present interested in dorm discussions on Dumbarton Oaks, and in a news bulletin board for Chase Hall, has been led by Shirley Stone and Electra Zazopolus.

The over-all job of the Conference and Publicity Commission has been well managed by dorm representatives who have handled the Vesper Service blotters, the CA News Letter, and the announcement of CA activities. Tom Hardy, V-12, and Jean Phelps have ably directed this work. Eleanor Frost has been our Student Volunteer representative; she has helped bring to the campus men from the missionary field.

The function of coordinating the many activities of the Christian Association has been the duty of the Executive Committee, composed of Jean MacKinnon, president; J. Wesley Parker, vice-president; Frances Wheeler, secretary; Edmund Nutting and Gordon Hiebert, treasurer. They have also directed the work of the Freshman Cabinet which is planning to build an outdoor chapel at Thorncrag.

This glimpse of the work of the Christian Association shows a picture of the group's attempt to make religion meaningful to Bates students.

Although our picture may not look it, we've changed. This year we've been through a transition period. We've amended our constitution almost beyond recognition and now our two boards stand united. Our central core of ten members is still maintained, but at the beginning of each school year our Board will be supplemented by members elected from houses not already represented on the Board. It may sound complicated, but together we've devised a system that should work.

Our goal is still the same, however, because we find it hard to improve. The W. A. A. Board wants to offer an opportunity to each co-ed to meet and play with her classmates through the medium of sports. Some of the most admirable characteristics a girl possesses are developed in fair play on the athletic field. We don't expect our members to be athletic wizards, we don't even ask that they be skilled amateurs—our only requirement is that they be "good sports."

Basketball made a big come-back on our sports schedule this year. Class teams were formed and Rand Gym became the scene of many a feminine fray. The seniors came out on top with the freshmen running a close second. Our dance club put on its own Dance Recital. It was open to the public and was much enjoyed by all. In our ping-pong tournament the student winner was victorious over the Faculty winner. Then of course we had hiking, biking, archery, skiing, skating, bowling, swimming, volleyball, tennis, hockey, and camp craft –in due season.

Our Special projects included the Freshman Frolic Mid-Year Cocoas, Betty Bates Day, our Union Party, The Banquet, and a June Day Breakfast on the top of Mt. David. YES we've had a busy year—and it's been fun, hasn't it?

The Outing Club, the largest organization of campus, is this year celebrating its twenty-fifth anniversary. During this time it has endeavored to bring to its members, the whole student body, facilities and enthusiasms for out-of-door activities.

In 1920 Evan Woodward, an English professor, and three men students, initiated the idea of an outing club. Professor Woodward, a graduate of Dartmouth, did much to promote the idea, and the club now holds the distinction of being, in age, second only to Dartmouth. Professor Grose, and Professor McDonald were both faculty advisers, Dr. Sawyer, the present adviser, taking office in 1923. The club is now in possession of two cabins—Sabattus, about eight miles from campus; and Thorncrag, only a half-hour walk away. The Outing Club also has charge of about forty miles of the Appalachian Trail, which extends for a distance of 2,250 miles from Maine to Georgia. It is in possession of a variety of equipment, including six Old Town canoes, skis, toboggans, snowshoes and ski scooters. Winter activities include care of the skating rink, over-night trips to Sabattus, and the three-day Winter Carnival. In the spring the club sponsors mountain climbs, hikes, canoe trips, and open houses at the two cabins.

Although every student is a member, the organization of the club is carried on by a Council and a Board of Directors, chosen from the student body, and headed by a President. Through these bodies, activities are organized in which all students may participate.

Outing Club has added much to the recreation of an enjoyable college life, through the enthusiastic endeavors of each member.

The first recorded meeting of the Board of Directors of the Bates Publishing Association was held in March, 1925, just about twenty years ago. P. A. at that time was responsible only for the staff, policies, and financial solvency of *The Student* and of *The Bobcat*, a humor magazine. As *The Garnet* grew from a step-child of *The Student* and the Spofford Club into a full-fledged publication, P. A. assumed its supervision as well. Not until 1932 did the Board of Directors take over THE MIRROR, and it was P. A. who watched the life and death of *The Buffoon*. In 1940 revision of tbe constitution made P. A. more effective by clearly designating its powers. P. A., too, acts as go-between in administrative-student publication difficulties.

All student subscribers to *The Student* are members of the P. A. and at spring elections they choose the President, Vice-President, and Secretary of the Board from the incoming senior class and a men's and a women's representative from the incoming junior class. Three faculty members are appointed to the Board by the president. One of them, at the present time, Professor P. D. Williams, is treasurer of the Association.
